File handling

Please note that when submitting a tender electronically, the maximum aggregate file size (total data volume) is **300 MB**. This applies to the documents that you upload to the BIETERCOCKPIT. It does not include the files that are made available in the BIETERCOCKPIT for the purposes of tendering.

Should you require a greater data volume, please contact our support team by telephone at +49 0711 666 01-476 or by email at bieter@staatsanzeiger.de.

Notes on the use of digital signatures for tenders

In certain circumstances, the electronic submission of tenders requires the attachment of a digital signature. Please contact the Staatsanzeiger support team in good time with regard to the technical prerequisites.
